The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

In 1977, when Senator Daniel Inouye was Chairman of the Select Committee, an agreement was entered into with the Intelligence Community that the Committee would be advised promptly whenever the Intelligence Community learned that a foreign agent had contacted a Member of the Committee. At the budget authorization hearing on counterintelligence in 1981, Senator Inouye recalled this agreement; and both you and Judge Webster affirmed that the Committee would be so informed. We wish to continue this arrangement, which appears to have worked well in the past.

Sincerely,

Dave Durenberger
Chairman

Vice Chairman
